

CAUSE ADVISORY

Moving Forward

[After Union Email Access Was Temporarily Obstructed]

Greetings CHS Colleagues,

First, please accept our appreciation for the strong response and confirmation that District Staff are again receiving email ADVISORIES from the Union. We appreciated the many expressions of support and the number of personal emails that were contained in your responses.

Second, we felt it was important to provide CHS staff and faculty an opportunity to "catch-up" on the primary communications that were denied during the period of the District's mistake. Although we wanted to provide an opportunity to at least review those ADVISORIES, please know that we respect your time. We do not expect you to review each and every correspondence thoroughly. Rather, we encourage you to review those updates that directly impact your interests.

After selecting those ADVISORIES that seem most relevant, we have attached them in the order below:

1.) **CAUSE ADVISORY CUSD * Employment Notification - 2018-2019 - Are you checking this document for accuracy?**

* sent: Monday, September 24th

2.) **CAUSE ADVISORY * CLASSIFIED Bargaining Update**

* sent: Wednesday, September 26th

3.) **CAUSE ADVISORY *. CUSD Violates CLASSIFIED Contract - Custodial Grievance Submitted ...&... The Grievance * Custodial Stipend Violation**

* both sent: Friday, September 28th, 2018

4.) Union General Meeting: Informational Event Regarding Contract Ratification ...&... Summer 2018 - Tentative Collective Bargaining Agreement - Joint topics [CLASSIFIED & CERTIFICATED]

* both sent: Wednesday, September 26th

Please feel free to contact us with any questions, thoughts, or suggestions generated by your review of the advisories and associated documents above.
