Good evening,

In the chaos of the last few days, it's easy to forget that we're still in the middle of a devastating pandemic. 40 million americans have lost their jobs in the last few weeks and now more than ever, people need a little extra help.

Please continue to spread the word to you members, friends, family and community. Our Food Pantry is open to the public. Below and attached is a graphic/flyer to share via text, email or social media.
