Subject: Fwd: CLASSIFIED Evaluation Grievance: Submitted July 25, 2020

To: Diana Rigby <Drigby@cusd.net>, Diana Zapata <dzapata@cusd.net>, Maureen Fitzgerald <mfitzgerald@cusd.net>, BOARD <board@cusd.net>

Dear Superintendent Rigby:

On July 25, 2020, the Union submitted a Level 2 grievance on behalf of impacted CLASSIFIED employees. The District has not provided any response to the grievance. The Union believes this to be true, as it has received neither a written nor a verbal response. CAUSE believes the District's inaction serves to further demonstrate violations (associated with the grievance article) cited therein, and is compelled to move the grievance to Level 3.

The original Level 2 grievance and correspondence has also been provided for your convenience.

Respectfully,

~ j. Hotchner
