July 28, 2020 – CUSD School Board Meeting

* Union Leadership & Members Comment On District
REOPENING *

CUSD Teachers, Support Staff, and Stakeholders,

The Union would like to thank those colleagues who bravely came forward to present their experiences associated with the District's REOPENING process & decisions. Your voices clarified just how little our school board members understand the scope and actions taken by the Superintendent and her leadership team, as well as how much more still needs to be done before we can reopen safely.

We hope you'll take a few minutes to review their insightful contributions. (Just follow the link below.)

The Union also applauds the work of CUSD students and alumni in their struggle to create a more equitable and aware community. We encourage you to listen to their public comments made later in the meeting (starting at MINUTE 2:47:25).

In Unity,

~ CAUSE Leadership
