

CAUSE ADVISORY

Agreement Reached - Labor / Management Collaboration * Impacts Associated w/ COVID-19 School Closure *

Greetings CUSD Colleagues,

Union leadership is pleased to announce:

- 1.) The bargaining partners have reached a negotiated agreement (aka. *MOU/Side-Letter*).
- 2.) The agreement clarifies several priority interests of District personnel currently navigating the closure of CUSD's schools; due to the COVID-19 crisis.
- 3.) The finalized agreement (w/signed edit) is attached.

This could not have been achieved without the engagement and personal sacrifice of several CAUSE representatives who remained engaged since the announcement of school closures last Friday. Similarly, we appreciate the attention and support of those employees following and supporting our efforts. Lastly, thank you to the District's agents who worked with Union leadership to secure this agreement.

In the midst of uncertain and concerning times, we're honored to represent the interests of CUSD staff, faculty, students, and their families.

In Service,

~ j. Hotchner * CAUSE President [CFT # 2216]
