CLASSIFIED Members and CUSD Colleagues,

Union Leadership is pleased to announce an upcoming ballot event for **ALL CLASSIFIED employees**. At the event, CLASSIFIED employees will have an opportunity to demonstrate their support for improved contract language associated with the **CLASSIFIED CBA \* Article 16: TRAINING**. The improvements, reflect a near total overhaul of the contractual expectations surrounding the District's training responsibilities for CLASSIFIED employees; especially those who work directly with students who often present significant behavioral, intellectual, or academic challenges in the teaching and learning environment.

The new training article reflects CAUSE Leadership's commitment serve the interests and well-being of both CLASSIFIED Staff and the students they serve. We are certain these improvements will also serve a variety of stakeholders who work alongside our CLASSIFIED colleagues.

We have attached both (A) the current training article and (B) the new training article (currently a "tentative agreement" until endorsed by our CLASSIFIED members). Please take a moment to review the attached articles. We are certain you will recognize several improvements.

In Service,

~ CAUSE Leadership
