

CAUSE ADVISORY

Are you a Union member & still Need a Vaccine ?

Let your Union help !

=====

CUSD Union Members,

CAUSE Leadership encourages all District personnel to pursue the COVID vaccine. We continue to hear that District employees who reside in Santa Barbara County have experienced difficulty acquiring their shots; especially when compared to surrounding counties.

In an effort to assist Union members, we have been working with the Tri-County Central Labor Council to support unvaccinated employees. If you are interested in getting vaccinated over the Spring Break holiday, please contact Union leadership immediately. You may confirm your interest by responding directly to this email.

We are currently scheduling for a Wednesday, March 24th, vaccine event in Ventura County. We have been advised that as many as twenty shots may be available. These shots will be offered to Union members who schedule with us on a '*first come first serve*' basis.

Once we hear from you, more information will be provided.

In Unity,

- CAUSE Leadership
