Dear CUSD Colleagues, Families, and Stakeholders,

With the need to ensure that our teachers, students, and their families are supporting COVID mitigation strategies, CAUSE leadership has secured a limited supply of both face-masks (surgical masks) and hand-sanitizer.

Please let us know if these items would be helpful for either your classroom, your family, or a student/ family. Over the course of the next week, CAUSE leadership would be happy to deliver these supplies to all interested parties.

You can place your FREE-order by emailing: cause.cusd@gmail.com

Your work is critically important, and it remains our honor to serve you,
