Union Communications

Do we have your contact information ?

=====

CUSD Colleagues,

This past Wednesday, the Union notified CAUSE members that District Leadership had begun to limit Union communications in unprecedented and arbitrary ways. CAUSE Leadership had anticipated such behavior from the District after watching CUSD's consistently increasing effort to silence transparent stakeholder discussions through the COVID-Summer.

Early in the 20-21 school year, we began building communication lists that contained members' personal contact data. We are now continuing that process. In the event you have not provided Union Leadership with your personal contact data (**email and cell # for texts**), we ask that you provide these today on the confidential GOOGLE FORM below:

Your participation and consideration is ever appreciated.

In Unity,

~ CAUSE Leadership

** In the event you received this email and are not either a District Administrator, Board Member, or Union Member, please contact us immediately. We will remove you from this email grouplist. **
