Union General Meeting Informational Event Regarding Contract Ratification

Greetings, CHS & Rincon Staff and Faculty,

CAUSE Leadership invites you to an informational meeting on...

Thursday, October 25th

3:15 PM - 4:15 PM

@ Carpinteria High School (CHS) Library

At that time, We look forward to promoting and further discussing the details of the Tentative Agreement ("TA") reached this summer via contract bargaining. Although the "TA" does not contain agreements associated with outstanding CLASSIFIED topics, it does contain many provisions and interests jointly shared by both CERTIFICATED and CLASSIFIED Unit members.

In the event that you wish to review the "TA" in advance of the meeting, CAUSE will again provide that document by attaching it to this email advisory.

Bring your questions, concerns, suggestions, and support ! We look forward to seeing you there.
