

CAUSE ADVISORY:

Union Leadership Updates Website

Take a look !

Update:

CAUSE advisories through the month of March have been uploaded to the CAUSE website.

Additionally, a new section, **"Your Opinion Matters!"**, has been added. The purpose of this section is to provide members with links to various news organizations. Within this section of the website, opinion letters, advocacy activities taken on behalf of our colleagues, and other press worthy releases have been added with links to the full texts.

Because your voice matters, it is important to celebrate success and to express concerns regarding our work as educators to our community. If you have written an opinion piece that has been published, please send a link to marithparton@gmail.com, and the text will be added to the CAUSE website.

Finally, salary schedules have been updated to reflect the 2018-2019 negotiated salary increases.

We are certain you will find our website a valuable resource, so take a look and let us know what you think !
